

Kiwanis Club of North Modesto

DATE

January 26, 2017

OPENING REMARKS

President Lori Rosman started the meeting by welcoming Lt. Governor Al Smith! Kyle Barker led the song, Roger Suelzle led the pledge and Marty Villa the prayer!

GUESTS

Brian O'Leary brought his son Trent to the meeting. Maybe we can convince him to join since we need younger members 😊

ANNOUNCEMENTS

REMINDER: NORTH MODESTO KIWANIS IS NOW MEETING AT THE CLARION, 1612 SISK RD. THIS IS A PERMANENT MOVE!!

Quite a few people had to pay a fine this morning for being late—Aaron (shocker!), Jeremiah, Bob Reidel and Dunbar, Jennifer and probably a few more that I missed.

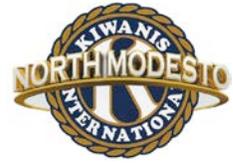

The annual Poppy Hills golf tournament will be taking place April 15 (yes tax day)! This year the event will actually be at Poppy Hills unlike other years. Friday golfers will be playing at Laguna Seca and the way some of these folks golf it will be like a race track. Signups are going around and you are welcome to bring non NMK members!

Ken Darby announced that the interclub meeting to Los Banos will be on February 7. He currently has six members signed up to go and would like a few more so contact Ken if interested. Also, Eddy if you're reading this Ken wants you to contact him regarding this event.

Please keep Cliff Oiler in your prayers for he is having some heart issues.

Also, Richard Reimche is progressing fine and is looking forward to getting back to his day to day activities and out of his shoulder sling.

BIRTHDAYS

None

ANNIVERSARIES

Numerous club anniversaries to celebrate: Judy Herrero (3 years); Jeremiah Williams (14 years); Kyle Barker (23 years); Lauren Suelzle (34 years); and last but certainly not least Bob Reidel (36 years). All received their special cookie, and, of course, Gary Goodman said he'd take to Judy as he does for every other person who misses!

BUCKS, HAPPY AND OTHERWISE

Lisa Lodi had a sad buck (actually \$5) because Troy Wright was a rat and told the group that she had a new car and hadn't paid a fine yet ☹️ Yes, it's a 2016 Honda CR-V with all the technology she never had with the other car!

Bob Harper is excited that he'll hopefully be able to see tomorrow! Not sure if it's cataract, a new eye, or what but he was certainly hopeful that it would be successful.

Adrian Crane participated in a 24-hour hack-a-thon! This was a computer project and not a break-in of Russian intelligence!

Loren Suelzle was happy about his 34 years in the club and that he's back on the golf course after his scare with blood clots. He didn't necessarily come back a stronger golfer either!

Marty Villa was happy that the club finally has a new video projector that will be stationed at the Clarion. Four people have keys so as long as one of them shows up each week it should make for a less stressful program!

Bob Reidel was happy that he has been a part of NMK for 36 years and the numerous friendships he has made over the years.

Doug Hardie told the real story of his unfortunate fall at the man cave. He started off the conversation by saying "in my bedroom" and of course, since we are a group of young immature members, the giggles made it so loud it was difficult for him to continue 😊 He continued stating he had a magic hamper in his bedroom. He puts clothes in it and then miraculously they disappear and show up folded or hung up perfectly! Doug's wife was complaining about all the laundry she has and he commented that she needed to get one of these "magic hampers". Needless to say, the fall he had at the man cave may have been a slight "push" from his wife!!!

Kiwanis Club of North Modesto

Someone got on the tangent about Kiwanis first allowing women into the club and many comments (yes, mostly funny) were spewing around the room. Adrian stated there was voter fraud! Northwest Kiwanis lost many members when women were allowed to join and I'm assuming that's why that club dissolved!

Since our program cancelled on us this morning, Lori gave Lt. Gov. Al Smith 5 minutes to talk! He actually took less time and wanted to let us know that he doesn't get to our meetings very often but when he does he leaves feeling good! He also mentioned that last year was the first international woman president for Kiwanis. Someone asked Al how he voted back in 1987 when they were determining whether or not to let women in the club, and he responded "I wasn't born yet"!!!

PROGRAM

Program cancelled but we did have Skip's apron retired. There were quite a few violators that did not sign his apron: Steve Collins, Phil Fugit, Brian O'Leary and Cory Warner. They each paid their fines. Two people, who have horrible signatures, challenged that they had signed and won—Charlie Christensen and Loren Suelzle.

MARBLE DRAW

Ken Darby lost out on the potential \$15.

LUNCH MONEY

Bob Reidel won the \$6 again!

There were 40 members and one guest today.
